

Assignment 1: Bootstrap Layout

M. Abu Bakar Siddique

September 10, 2016

Deadline: September 22, 2016

Designing Web page Layout Using Bootstrap

You have to code the layout of the following **3 web pages** for all type of devices; such as xs, sm, md, lg. You can use bootstrap and custom CSS for it.

You will only use images for actual images in the design. All other elements must be coded in HTML/CSS/Bootstrap; not used as images.

Try to make the webpages as close possible to these designs.

Note: Before attempting it; finish HTML, CSS and Bootstrap tutorials given at www.w3schools.com

TOP REASONS TO VISIT THE WINDY CITY

Alive with eclectic music, fine art, and stunning architecture, Chicago is a place not only city-lovers dream of, but also where nature lovers can find a bit of sanctuary amidst a bustling metropolis.

Architecture

Chicago's architecture is one of the most stunning in the world. Some landmarks you shouldn't miss are the Sears Tower, John Hancock Center, and Cloud Gate.

Food

There are over 4,700 restaurants in Chicago. The city is home to some of the world's most elite chefs at the forefront of cutting-edge cuisine.

The Arts

Chicago is home to the finest art galleries. The Art Institute of Chicago has more than 300,000 works. Tripadvisor hails it as the world's #1 museum.

Beaches

Think that Chicago is just for urban-dwellers? Think again. Chicago has 26 miles of shoreline, 26 beaches, and an 18.5-mile bike path along Lake Michigan.

Green Spaces

There are over 500 gardens and parks to explore in Chicago. One of this is Millennium Park, where you will find the iconic Cloud Gate metal sculpture.

Live music venues

This city is in love with jazz and blues, as well as music festivals and concerts of all kinds. If you're lucky, catch a show by the Chicago Symphony Orchestra.

FUN FACTS ABOUT CHICAGO

An average of 35 million visitors and tourists flock to Chicago every year.

4 states are visible from the top of the Willis Tower: Indiana, Illinois, Michigan, and Wisconsin.
